### POSTPONEMENT OF MEETING

The following notice has been received from:

**Regional Conference on Spinal Cord Injury: Israel Association of Physical Medicine and Rehabilitation**  
25–28 November 2001, Herods Sheraton Resort, Eilat, Israel.

Dear Participant

The recent events in Israel have led to serious discussions with the local organizing committee as to whether the Israel meeting should be held as scheduled. Although the location of the meeting is well within Israel proper and is safe by any standard, some members have expressed concern. Therefore we have decided to postpone the conference until further notice.

Further information from: Conference Chairman, Prof. Avi Ohry, 1 Nirim St., Tel-Aviv, PO Box 9352, Tel-Aviv 61092, Israel. Tel: 972-3-6384444; Fax: 972-3-6384455; e-mail: info@ortra.co.il; Website: www.ortra.com

I would urge you to spread the word to all interested parties, although most will have received this same letter.

Sincerely

Sagit Ishay  
Conference Coordinator
