

ANNOUNCEMENT

Annual acknowledgement of manuscript reviewers

Published online: 15 December 2020
© The Royal College of Ophthalmologists 2020

In this issue, we acknowledge and thank the reviewers who have been active over the past year, between November 2019 and October 2020. Their tireless and largely unseen work is always appreciated, but even more so during the challenges of COVID-19. As a small token of gratitude our top ten reviewers are also rewarded with a year's free online subscription to a Springer Nature title of their choice.
