## The ADI Team Congress 2019

May 2-4, the Edinburgh International Conference  
Centre (EICC)

*The Future of Dental Implantology: Techniques-  
Technology - Teamwork.*

An event for experienced dental professionals as well as those  
who have just started out with dental implants, the Congress  
gives the chance to gain up-to-date knowledge, make new  
discoveries, network with like-minded individuals and make  
new contacts. The event will see a major trade exhibition hosting  
a wide selection of stands where professionals can experience  
new products and discover the latest advancements. For more  
information, please visit [www.adi.org.uk](http://www.adi.org.uk)
