
Author Correction: Polygenic adaptation: a unifying framework to understand positive selection

Neda Barghi , Joachim Hermisson  and Christian Schlötterer 

Nature Reviews Genetics (2020) <https://doi.org/10.1038/s41576-020-0250-z> Published online 29 June 2020

The Supplementary information of this article has been updated to correct some errors in the simulation parameters. In the 'fitness function' column the trait optimum for the '3c-d' and '3e-f' rows has been corrected, and fitness function values are now included for the '3h' column. The '6' footnote has been updated to indicate that it refers also to figures 3a and 3b, not just figure 3h.
